

Instructions for providing copy and image for posters for X-Frame Banner Stands

ACCEPTABLE FILE FORMATS

.jpg

* Please note:

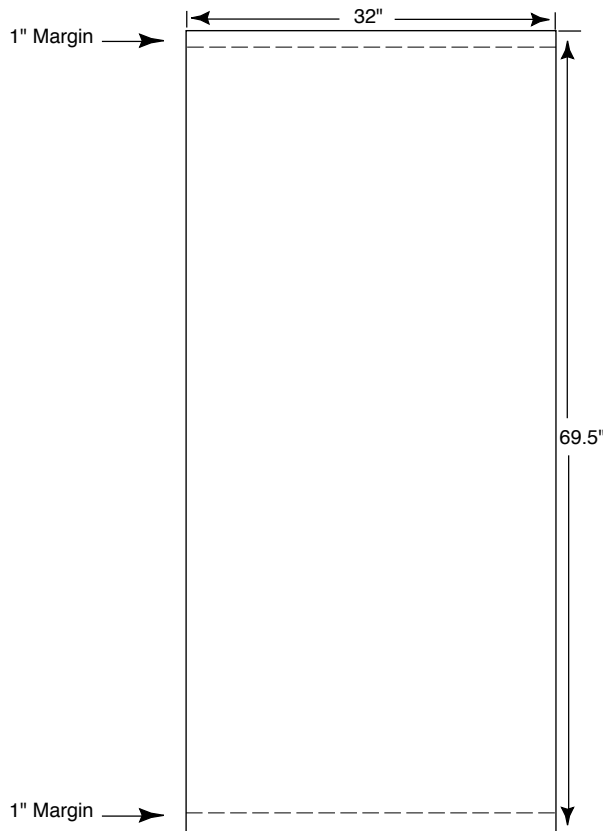

- Files must be CMYK
- All files must be PC compatible

*All files should be "high resolution". Files should have a minimum resolution of 150dpi when at FULL size.

TRANSMITTING FILES

ONLINE:

- www.yousendit.com
- recipient email address: sales@trtbanners.com

POSTER SIZE AND MARGINS

Design poster at 32"x69.5" (document size). Use 1" margins on top and bottom **ONLY** when designing. Do not place any text/logos outside of these margins, to allow for grommet placement.

*** Have background color or image run the full 69.5" length of file. DO NOT leave white space inside margins- it may show when poster is upright in stand.**
